Angel Food Waldorf Cake

In *The Touchstone of Raven Hollow*, Tara and Grant become trapped in a secret mystical hollow. This cake also has a hidden feature, so it seemed appropriate to share my recipe for this light and fruity cake. Perfect for a hot summer day, too. You can tint the cool whip with food color for a festive touch. Enjoy!

Ingredients

Angel Food Cake, prepared as directed

1 large container Cool Whip

1 cup cut up strawberries

½ cup slivered almonds

6-8 medium strawberries, approximately the same size, capped

Instructions

Bake an angel food cake per box instructions (or buy one, if you prefer); cool completely

Place cake upside down on a plate. Slice off entire top of cake about 1 inch down; set aside.

Make cuts down into the cake 1 inch from the outer edge and 1 inch from the edge of the hole in the center, leaving substantial walls on each side. Remove cake within the cuts, leaving a 1 inch thick base.

In a medium chilled bowl, mix 5 cups Cool Whip with the strawberries and nuts until well blended. Press the mixture firmly into the cavity to avoid holds in cut slices. Replace top of cake and press down gently.

Use remaining Cool Whip to frost the cake. Place 6 remaining strawberries point side up at regular intervals on top of the cake. If desired, sprinkle more slivered almonds around the top.

Chill at least 4 hours before serving.
